

## Canadian Econometrics Study Group (CESG)

McMaster University, October 27 – 29, 2023

The 39<sup>th</sup> CESG Conference is organized by the Department of Economics at McMaster University in Hamilton, Ontario.

The conference theme is “Information and Inference in Panels and Time Series.” The keynote speakers are:

**Jinyong Hahn (UCLA)**

**Anna Mikusheva (MIT)**

Contributed papers for presentation at the conference are now invited. Contributions are welcome in theoretical, applied, or computation econometrics. Submissions will be considered both for regular and for poster sessions and only completed papers (submitted in PDF format) will be considered.

Prospective contributors are invited to submit papers at [caneconometrics@gmail.com](mailto:caneconometrics@gmail.com).

The deadline for submissions is May 31, 2023.

Notification of acceptance or rejection will be made by the end of June 2023.

All attendees are expected to register for the conference.

For up-to-date information on the conference, please visit <https://caneconometrics.ca>.

Local organizers: Irene Botosaru, Chris Muris, Jeff Racine, Youngki Shin.
