

Canadian Econometrics Study Group (CESG) Conference

York University, October 25 – 27, 2024

The 39th CESG Conference is organized by the Department of Economics at York University in Toronto, Ontario, from October 25-27, 2024.

The conference theme is “Inequality Measures and Econometric Modelling.” The keynote speakers are:

Marc Henry (Penn State University)
Francesca Molinari (Cornell University)

Contributed papers for presentation at the conference are now invited. Contributions are welcome in theoretical, applied, or computation econometrics. Submissions will be considered for regular and poster sessions, and only completed papers (submitted in PDF format) will be considered.

Prospective contributors are invited to submit papers at caneconometrics@gmail.com. The deadline for submissions is May 31, 2024.

Notification of acceptance or rejection will be made by the end of June 2024.

For up-to-date information on the conference, please visit <https://caneconometrics.ca>.

Local organizers: Ilya Archakov, Antoine Djogbenou, Joann Jasiak, Paul Rilstone, Razvan Sufana, Pujee Tuvaandorj, Jun Zhao.
